Reusable Couplings

for Cat® XT™ Hose

The last couplings you'll ever need... guaranteed

Cat® Reusable Couplings for XT™ Hose are the last couplings you'll ever need. A unique two-piece design lets you reuse couplings, even after the hose is worn out. That means you:

- Save an average of 30% or more off the cost of assemblies with permanent couplings
- Don't need to purchase a new coupling every time you replace worn hose—saving money, time and time again
- Always have a ready inventory of couplings, so you can get back to work quickly

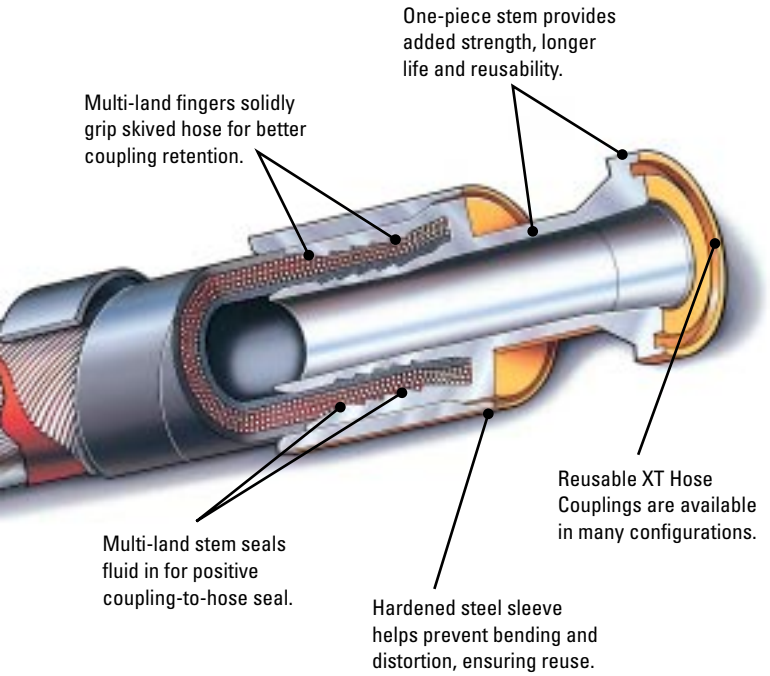

Plus, Cat Reusable Couplings for XT Hose are **guaranteed against failure**—or we'll replace them free of charge. (Guarantee excludes failure caused by abuse, neglect or fire; or improper use, installation or repair.)
