

CAT® HYDRAULIC OILS

Pour in Peace of Mind.

Starting with premium base oils and unique addititves, Cat® hydraulic oil is then tested to ensure it can provide long-lasting protection. Our HYDO™ Advanced formula offers up to three times the life of standard hydraulic oil – making it the most advanced oil in the marketplace today, and the best fluid protection for any hydraulic system. Get oil that works smarter – and harder.

BUILT FOR IT.™

OUR PRODUCT FAMILY

- **CAT HYDO™ ADVANCED**
- **CAT MTO**

COMPLETE PROTECTION.

Combine Cat fluids with Cat filters for the highest level of contamination control – proven to actually extend the life of your hydraulic system.

Couple Cat HYDO Advanced with a regular S•O•S℠ Fluid Analysis and gain up to three times the oil life, while detecting potential problems before they become big.

FIND THE RIGHT FORMULA.

CAT HYDO™ ADVANCED	CAT MTO
The most advanced hydraulic oil on the market. Our exclusive additive package is unequaled in minimizing wear, reducing corrosion and eliminating water damage – all the while, providing up to three times the drain interval of standard hydraulic oils. It's a formula designed to save you time and money.	**Our multipurpose transmission and hydraulic oil is designed to meet the needs of your Cat hydraulic system.**
Use when:	**Use when:**
Extending drain intervals up to 6,000 hours is valued.	Changing hydraulic oil every 2,000 hours is acceptable.
Lowest total operating cost is desired.	Lowest initial purchase price is desired.
The disposal costs of used oil are high – or doing so is difficult.	The proper disposal of used oil is easy and inexpensive.

Cat hydraulic oils are available in a variety of viscosities and package sizes.
Consult with your Cat dealer on which one is right for you.
