

# COVER YOUR CONNECTIONS.

Your equipment is changing. Shouldn't your coverage?

## POWERTRAIN + HYDRAULICS + TECHNOLOGY EQUIPMENT PROTECTION PLAN (EPP)

As Cat® machines become more connected, your business is becoming more efficient and downtime more predictable. Now, choose an EPP that's just as efficient and covers what matters most to your bottom line. Extended protection offers comprehensive protection for your machines, designed specifically to cover your connections and technology through our Powertrain + Hydraulics + Technology coverage level, providing just the right coverage at the right value. Giving you the tools to stay connected – that's what we're built to deliver.

## POWERTRAIN + HYDRAULICS + TECHNOLOGY

- > Enhanced coverage to include Cat® Connect technology
- > Powertrain + Hydraulic coverage with additional COMPACT, GRADE, PAYLOAD and LINK technology components added, such as controls, displays, monitors and sensors

*These are examples of covered components or items. The actual dealer contract will govern. See your Cat dealer for a complete list of covered and excluded components and more information.*

## EPP BENEFITS

- > Protect your equipment investment beyond the standard machine warranty.
- > Make sure repairs are done right the first time with factory-trained technicians using genuine Cat parts.
- > Plan with confidence because you can better predict service and repair costs.
- > Increase your machine's resale value with transferable coverage.
- > With flexible terms, offering coverage at 500 hour increments, coverage can be customized to your expected equipment utilization to keep protection costs low.
